InspereX

Evan Zacharia
Greg Krohner
Broward County Finance and Administrative Services Department
115 S. Andrews Avenue, Rm 513
Fort Lauderdale, FL 33301

Dear Evan & Greg,

Thank you for the opportunity to introduce InspereX. At InspereX, we understand the unique challenges of managing public funds. Our focus on safety, liquidity, and maximizing yield within investment policy guidelines aligns perfectly with Broward County's investment priorities. We have a strong capital base, seven trading desks that take risk and hold inventory, and market-making services to help provide liquidity for your positions. Partnering with us, you will benefit from investment solutions particularly tailored to the needs of government entities.

InspereX's main product offerings remain a natural fit for Broward County. We were the #1 ranked issuer of new issue callable agency deals in 2026 and are local in Delray Beach. We are very active in printing new issue bullets deals for date specific portfolio needs. InspereX is a full-service public fund broker/dealer that offers Agencies, T-Bills, Treasuries, Agency discount notes, and Supranationals. For counties prioritizing social impact, InspereX underwriting offers pioneering solutions like AA-rated affordable housing bonds. As a client, you will benefit from our strong relationships with all the GSEs, and our commitment to concierge-level service every step of the way.

I have had the priviledge of covering Broward County since 2008, and welcome the opportunity to continue to continue serving your investment needs. Over the past 30 years, I have specialized in institutional fixed-income sales, with a particular focus on public funds. I have read and will follow Broward County's Investment Policy. Although no two public funds are alike, I have a thorough understanding of safety of principal, liquidity and maximizing yield within investment policy guidelines. I appreciate the chance to show you how InspereX can add value to your portfolio.

Sincerely,

Cary Sewall

Managing Director, Institutional Sales
